Solutions for the Modern Workforce

Human Resources Management

Workforce Management

Payroll Management

Human Resources Management

=

All in a single solution — automate administrative processes to more efficiently manage the moments that matter like hiring, onboarding, benefits administration, and performance. Engage with employees, control costs, and reduce compliance risk.

Engaging the modern workforce

From pre-hire to retire, our solutions are designed to **meet** the needs of all worker types - salaried, hourly, contract, and beyond.

This all leads to an HR department focused on providing an experience that helps your employees work inspired

Payroll Management

Simplify your payroll processes, eliminate errors, and provide a bestin-class employee experience with our automated payroll solutions. Reduce processing time, ensure compliance, and create the perfect paycheck by **managing time, tax, and pay in a single, unified solution.**

Deliver the perfect paycheck every time

Automated, accurate processing, end-to-end services, embedded compliance, and transparent employee selfservice tools.

A reliable payroll foundation **builds lasting trust** between you and your employees while also boosting efficiency.

Workforce Management

An automated, accurate workforce management system that helps boost employee productivity while giving real-time insight into labor data.
